# WEBB BROS.

If Indiana marriages continue to decrease and Indiana divorces to increase in number, as is now the case, it won't be long until there will be no more marriages nor divorces.

Young King Manuel of Portugal says if he can't marry his sweetheart he won't marry anybody. Such talk from a king has created consternation in royal and ministerial circles before.

Times change and metaphors must change with them. This generation don't know what "a flash in the pan" means, and "going off half cocked" has lost its significance since the hammerless firearms came into use.

Since the late rains began to pour and their generous abundance Bryan has had a sufficiency of water and the need of our artesian well has been forgotten. But when the heat and dust come again the discussion will be revived.

According to the Texas Trade Record and Industrial Record a creamery can be made profitably.

Based cows to start with four of the machine with. The cost for a simple hand without refrigeration is approximately \$1200, and if a refrigerating machine is added the cost will be from \$600 to \$100 more.

### METHODIST EDUCATORS IN SESSION.

Atlanta, Ga., May 19.—The third educational conference of the Methodist Episcopal Church, South, assembled in Atlanta today for a session of three days. The educational work of the church is to be discussed in all its phases, not only by the leading members of the church, but prominent educators from all over the country.

The programme provides for addresses by President Henry C. Pritchett of the Carnegie Foundation, Chancellor D. C. Barrow of the University of Georgia, Chancellor J. H. Kirkland of Vanderbilt University, President H. Snyder of Wolford College, Governor Hoke Smith of Georgia, Rev. T. D. Ellis of Macon, Rev. W. N. Ainsworth of Savannah, Bishop Galoway of Mississippi, Dr. W. W. Smith of Lynchburg, J. H. McCoy of Birmingham, and President Dupont Guerry of Wesleyan Female College.

### WOMEN IN CHAINS.

Berlin, May 19.—By some means or other the political prisoners confined at Schlussemburg St. Petersburg, have succeeded in smuggling out of the fortress an appeal addressed to the foreign press in the hope that if publicity is given to their sufferings an inquiry into their treatment will

be ordered from high quarters.

A copy of the appeal, written on behalf of seventy-three political prisoners, six of whom are women, has been received here. The writers say that their hands and feet are chained day and night, and that they are given no food but bread and water.

The appeal goes on to narrate that not long ago the fortress was visited by the director of Russian prisons administration. One of the prisoners refused to stand up when the director entered his cell, and was thereupon given fifty lashes with the knout. When the other prisoners protested against this punishment the warders attacked them with the butt ends of their rifles, inflicting injuries and rendering many of them unconscious.

### ELECTRICAL EXPERTS MEET.

Chicago, Ill., May 19.—More than 1,000 electrical experts from all parts of the world met at the Auditorium in this city today for the annual convention of the National Electric Light Association. The association plans to spend three days in discussing technical questions pertaining to the electrical industry and in listening to addresses by electrical inventors and experts of world-wide prominence. Foremost among the scheduled speakers are Nicola Tesla, Elihu Thompson, Prof. I. Fujioka of Japan, Marcel Deprez of Paris, John T. Sprague of England and Dr. Arthur E. Kennelly of Harvard University.

### Commission Favored.

Washington, May 18.—As a substitute for all Appalachian-White mountain forest reservation bills that have been introduced at this session the house committee on agriculture agreed to report favorably a bill creating a commission of investigation. The commission is to consist of five members of house and five members of the senate.

### Brings Brains and Stomach.

Fort Worth, May 18.—Phileas Martin, an attorney of Young county, arrived here from Graham with the brains and stomach of C. C. Mills, a rich ranchman, who died there a few days ago, to determine the cause of death. Mills' son, Arthur, and a friend are held on charge of murder.

### Pulp Mill Destroyed.

Sault Ste. Marie, Mich., May 18.—The pulp mill of the Lake Superior Corporation at Canadian River, the river town, was destroyed by fire.

### PLATT DIVORCE CASE

Plaintiff Declares She Was Married to the New York Senator.

New York, May 18.—The suit for absolute divorce of Mae C. Wood against Senator Thomas Platt was called for trial before Judge O'Gorman in the supreme court Monday. Miss Wood, in her complaint, declares that she was married to Senator Platt at this city on Nov. 9, 1901. She named as co-respondent in the suit Mrs. Lillian Janeway, who was married to the senator in 1903.

In his answer to the complaint the senator declares Miss Wood's allegations that he married her about Nov. 9, 1901, at New York are absolutely false. He declares the certificate reproduced in the newspaper is a forgery.

### Death of Mrs. Maxey.

Paris, Tex., May 18.—Mrs. Marilda Cassa Maxey, widow of the late General Sam Bell Maxey, ex-United States senator, died at her home here Monday morning at the age of seventy-five. She was born in 1832 in Clinton county, Missouri, and was married to General Maxey July 19, 1853.

### Hundley Not Confirmed.

Washington, May 18.—The announcement of the confirmation of United States Judge Hundley for the Northern district of Alabama, made Saturday, was an error of the executive clerk of the senate. Judge Hundley's nomination has not been confirmed.

### Offer Made For Pitcher.

New York, May 18.—It is said in baseball circles that John T. Brush, owner of New York national team, has made an offer of \$8,000 to the St. Louis club for the release of Raymond, a pitcher.

### Bridges Washed Away.

Waco, May 18.—A terrific rain fell in this section, and the bridges were washed away.
